Welcome to Camp Raven Knob

Dear Scouter,

Welcome to Camp Raven Knob 2024! We are excited to host you and your Scouts for summer camp. We have a variety of programs and merit badges ready to offer for Scouters of all ages. Please take a few minutes and read through this guide to assist with the registration process for camp this summer.

Program offerings have been updated, and our staff is prepared for a great summer. We will have various webinars on the first Monday of each month at 7:00 p.m. starting on February 5th. These webinars will help new and returning troops learn how to register their unit and Scouts through the Tentaroo online registration platform. Information on all webinars and other updates can be found on our website and social media pages.

The Tentaroo online registration platform provides leaders with the most accurate information for unit registrations and schedule building. If you have any questions about online registration or summer camp, please feel free to contact us for assistance. We at Camp Raven Knob look forward to having your unit join us at camp this summer!

Good Scouting,

Hunter Day | Camp Director

Program Information

Session Offerings

Camp Raven Knob is proud to offer programs for Scouts of all ages! First-year campers often enjoy our Raven Scouts program, Scouts of all ages enjoy our merit badge program, and older Scouts enjoy our Outback High Adventure programs. We offer training courses and special activities for adult leaders, and open programming in the evenings with come-and-go activities for Scouts and adult leaders alike!

For detailed descriptions of each program (and the most up-to-date information), please visit ravenknob.com and browse through the program menu.

Per BSA policy, all merit badges are available to be taken by any Scout. However, the physical or mental demands of some of our programs are more suited toward Scouts of a particular age, maturity, or skill level. In this guide and ravenknob.com, you will see our recommendations for which merit badges and programs are recommended for younger Scouts, older Scouts, or all Scouts. Please keep in mind that the unit leader is responsible for ensuring that all Scouts meet maturity and skill level requirements for all sessions. **Scouts who have already earned a merit badge are not eligible to sign up for that merit badge session again.** This allows every Scout the opportunity to participate in the program.

Some programs have age restrictions, prerequisites and other requirements that cannot be completed at camp. Details are available at ravenknob.com/sessionlist and on the individual pages for each merit badge.
